

# Churchfields is welcoming new residents

## Keeping you up-to-date...

### OPEN TO NEW ADMISSIONS

Churchfields is open and taking new residents. We have clear policies and procedures in place to do this safely, and most importantly, a highly competent, well trained, and well-supported care team.

Our fabulous staff are doing an excellent job every day, keeping residents engaged, ensuring they do the things they love, and introducing more innovative ways to keep residents connected with their family members.

We are working closely with our local health partners, and continue to support families who are looking for care for a loved one. Churchfields is open and taking new residents, and we have specific procedures in place to enable us to do this.

We would like to say a huge thank you to our lovely community, and our residents' families, for all the fabulous gifts, and letters of support, which are very much appreciated. Everything is good in the home, and our residents are well and happy.

In the meantime, please head over to our Facebook page to keep abreast of daily life in Churchfields.

We send our love and best wishes to you all.

*Jane and The  
Churchfields Team*

Regular deep  
cleaning and  
infection control  
processes

Generous supplies  
of certified and  
approved PPE

Whole  
home  
testing  
programme

Socially  
distanced family visits  
and increased use of  
technology to stay  
connected

Working closely with  
health partners to  
ensure the safety and  
wellbeing of all staff  
and residents

Residents  
are free to mix  
in socially
