Our boutique luxury home delivering individual care for our residents

Special Moments in September

September has brought some lovely experiences to Churchfields. One of the highlights was watching our caterpillars transform into butterflies. Residents were able to follow their journey as they grew and changed, before releasing the butterflies into the garden on a beautiful sunny day. It was a lovely experience from start to finish and something a little different for everyone to enjoy.

Residents have also been getting out and about with walks, visits to the local church and trips to the Tea Shop. We even rediscovered an old typewriter, which residents enjoyed having a go on and brought back plenty of memories and conversation.

Music and Entertainment

Music has played a big part in September, with residents taking part in a ukulele lesson and having a go at learning to play themselves. We also welcomed Ella Mai back for a singalong, with plenty of familiar songs for everyone to join in with.

We introduced something new this month with a visit from a harpist. Residents really enjoyed listening to the beautiful live music and it was a lovely addition to our usual entertainment programme.

Summer Party Success!

Despite the unpredictable weather, our Summer Party was a huge success! A big thank you to everyone who joined us and helped make the day so enjoyable for our residents. We really appreciate your continued support.

The Churchfields Community Café takes place at Witney Library.
This runs on the first Monday of each month from 10:30 - 12:30.

Reminder: Our Dementia Café also meet every month on the last Thursday at 10:00 AM in our lovely Tea Shop at Churchfields. Everyone is welcome to join us for tea, company, in a warm, supportive atmosphere.
