Our boutique luxury home delivering individual care for our residents

## Fire Awareness at Churchfields Care Home

Eynsham Fire and Rescue team came to Churchfields! We had the pleasure of meeting the crew and had the chance to experience the career of a firefighter. Churchfields were shown what firefighters have to wear, what equipment is used, and were enlightened about the importance of avoiding fires.

Top tip - Firefighters DO save cats from trees!

# Activities at Churchfields

We have had the pleasure to enjoy our beautiful garden and spend time embracing the daffodils blooming. Our wonderful residents had the chance to go shopping, and were visited by 'We Clothe For You' to pick their spring/summer clothes.

## Highlights of the Month:

We have been expanding our Rock Garden, potting plants and doing lots of reminiscing of times gone by. Cheers to a Happy Month!
