Churchfields Summer Party!

Our wonderful manager Sharon hosted a great summer party event at Churchfields. We were accompanied by so many members of the public, and we cannot thank everyone enough for coming to join us to make this day special for all our amazing residents. Fantastic entertainment was provided and it's a memory we shall not forget!

Outings at Churchfields

Churchfields had a very busy month! We have attended Eynsham Flower Festival, adventured to Island Farm Donkey Sanctuary and had the opportunity to admire lots of Bikes from Cassington Bike night!

Highlights of the Month:

Churchfields have been treated with lots of ice cream to help cool us down from beautiful weather. We attended Cassington Café to join our friends in the community. We also said a very sad goodbye to a member of our Churchfields family who has worked for us for many years - **Happy Retirement Barry!**
