Pound Lane, Cassington, Oxfordshire OX29 4BN

Our boutique luxury home delivering individual care for our residents

We enjoyed a truly special time welcoming Lena from our Through the Eyes of a Child programme, as well as a local mum, baby, and toddler group.

Through shared arts and crafts activities, residents and little ones exchanged smiles, stories, and creativity, creating meaningful connections across generations. These moments, captured in our photographs, highlight the importance of integration and the heart of the Through the Eyes of a Child programme.

The festive season ends and 2026 begins!

Snow one day, sunshine the next - January reminds us that seasons change, but fresh air, warmth, and time together are always in season at Churchfields Care Home.

We are back in full swing and delighted to be visiting our local Dementia Café once again. We're also pleased to share that our own **Dementia Café has resumed** and now takes place on the **last Thursday of every month at 10:00**, providing a welcoming space for connection, support, and shared experiences.
