Our boutique luxury home delivering individual care for our residents

January at Churchfields Care Home

On the first month of 2025 here at Churchfields we shared lots of tipples, smiles and joined in lots of activities. Some big events this month included Burns Night on 25th January & Chinese New Year on 29th January. On our Burns night we started off the day decorating our themed cupcakes made by us the day prior. We had a lovely lunch followed by an afternoon of reciting Robert Burns's poetry, reading Scottish jokes & having some whiskey and Iron Bru. Our lovely resident Vera said the Salkirk Grace before tucking into the Burns Night Supper of Haggis, Neeps & Tatties.

Socialising at Churchfields

Socialising is a big part of life at Churchfields- We make sure to plan plenty of community outings and social activities. In January we done our own monthly flower arranging group, went to the community cafe at the village hall and organised individual outings for our residents.
