A Busy and Joyful June at Churchfields

June has been a busy month at Churchfields, with plenty of opportunities for residents to get involved in activities both within the home and the local community. A highlight was our first Churchfields Dementia Café at Witney Library, where residents, relatives, and members of the community enjoyed quizzes, flower arranging, puzzles, and plenty of tea and cake. Thank you to Age UK Oxfordshire for their support. We have also welcomed several entertainers this month, including Becs and Tim Duo and Tristan on guitar, who brought lots of music, singing, and enjoyment to residents.

Community, creativity and connection

Residents have enjoyed arts and crafts and time in the garden, supported by volunteers from the Veolia team who helped with gardening projects around the home.

They also tried hairdressing, and excitement built as our World Cup celebrations began. We recently held an Open Week, where visitors enjoyed cream teas and a performance from Ella Mea, rounding off another lovely month at Churchfields.
