Father's Day!

"This month, Churchfields celebrated Father's Day in style, treating all the dads to thoughtful gifts, their favorite alcoholic beverage, and a delicious meal to mark the occasion and make their day truly special.

Open Day!

We were visited by 'Al's Owl's' for our open day here at Churchfields which took place on the 18th June - we were extremely overwhelmed with the beauty and knowledge of Monti, Fern and Hazelnut. A truly magical moment for us all!

Highlights of the Month:

Churchfields were thrilled to be back at our local pub this month for our weekly Wednesday pub quiz. We have been looking after our plants in our garden and cannot wait to watch them all thrive their beauty. We have taken time to create wonderful pottery ornaments, along with having 'Chris the Piano Man' to entertain us with his amazing talent.
