Our boutique luxury home delivering individual care for our residents

The recent warm weather has meant residents have been spending lots of time outside enjoying our garden and patio areas. From garden games to greenhouse gardening, everyone has been helping care for the flowers and vegetables, which are all growing beautifully.

There has also been plenty of creativity around the home this month, with residents taking part in arts & crafts, cooking, cleaning, village, and garden walks and enjoying visits from musicians, bringing singing, laughter, and lots of entertainment!

Making the most of May

May has also been full of celebrations, as we celebrated five resident birthdays, with each occasion bringing plenty of smiles, cake and time spent together with family and friends and of course the staff.

Alongside the celebrations, residents enjoyed visits from Roger our local vicar, for singalongs and Holy Communion, as well as flower arranging and trips to the village hall for tea and cakes.

We are also pleased to share we now have our own **Churchfields Community Cafe** taking place at **Witney Library**. This runs on the **first Monday of each month from 10:30 - 12:30**.

We look forward to welcoming you.

Reminder: Our Dementia Café also meet every month on the **last Thursday at 10:00 AM** in our lovely Tea Shop at Churchfields.

Everyone is welcome to join us for tea, company, in a warm, supportive atmosphere.
