## Travelling around Oxford

We have had an amazing time in our new bus going to different places - The Oxford Bus Museum & Cogges Manor Farm. Both days were great and something different to do. It was wonderful to reminisce and we wonder where we will go next.....

# Walking with Purpose

At Churchfields, we're passionate about supporting good causes. This month, we've taken on the challenge of walking a mile a day to raise funds for **Dementia UK** - every step making a difference!

## Highlights of the Month:

Our dear friend Tristan came to visit & entertain us with his wonderful talent of singing & playing his guitar. We made some delicious puddings for our supper and had a wonderful day celebrating a special lady's birthday.

**SAVE THE DATE - Our Open Day will take place on 18<sup>th</sup> June from 2pm. Come and experience life at Churchfields!**
