Pound Lane, Cassington, Oxfordshire OX29 4BN

Our boutique luxury home delivering individual care for our residents

February at Churchfields Care Home

February started with us celebrating Valentines day by decorating the home with red love hearts everywhere, making Pizzas in a love heart shape, pink sweets & dipping strawberries in melted chocolate. Who can resist them? Fiona joined us for an afternoon of singing in her "Stupid Cupid Show" all had great fun joining in singing with her.

Activities at Churchfields

We enjoy our time making the home look & smell lovely with our flower arrangements each week, starting to see some lovely colours and looking forward to spring. We also got the paints out & painted pictures of our flowers.

Highlights of the Month:

We had a delightful visit from Harry the pony, and he was such a well-behaved guest! He was incredibly gentle with our residents and happily accepted pats from everyone. We've also enjoyed some lovely walks around our courtyard, taking in the fresh air and beautiful surroundings.
