Pound Lane, Cassington, Oxfordshire OX29 4BN

Our boutique luxury home delivering individual care for our residents

April has been a busy and enjoyable month at Churchfields. We were delighted to welcome residents from our sister home **Rosebank**, for a visit. Together we enjoyed time in our teashop and took relaxing walks around the garden, making the most of the chance to socialize and connect. We were also pleased to have Sophie join us for work experience, where she quickly became a part of the Churchfields family. One of the highlights of the month was a visit from a tortoise, which made a lovely change from our usual animal visitors.

Sunshine, activities and new experiences

With the sunshine making a welcome return, residents have been enjoying more time outdoors, making the most of our beautiful garden space. Activities such as walks, outdoor sport games and plenty of gardening, helping everyone stay active whilst enjoying the fresh air. Indoors, we continue the baking sessions, as well as relaxing manicures and head massages

We are also pleased to share we now have our own **Churchfields Community Cafe** taking place at **Witney Library**. This runs on the **first Monday of each month from 10:30 - 12:30**. We look forward to welcoming members and the community.

Reminder: Our Dementia Café meets every month on the last Thursday at 10:00 AM in our lovely Tea Shop at Churchfields. Everyone is welcome to join us for tea, company, and a warm, supportive atmosphere.
