## Mothers Day 2025

Churchfields was blessed with lovely weather for Mothers Day. We were accompanied with 'Tony The Puppet Man' who provided an excellent show to start off our special day. Everyone had tucked into a wonderful meal provided by our Chef, followed with an afternoon of a Church Service with our dear friend Roger, afternoon tea with freshly cooked cakes & sweet treats and our very own beauty spa experience!

# Easter Celebrations

We had a fun Easter weekend, starting with creating our Easter garden display. We went out on an outing to do some grocery shopping - we LOVE our hot cross buns and chocolate!

## Highlights of the Month:

We had two Birthday celebrations this month of 90 & 92 years of age. We are delighted to be announcing these special Birthday on Radio Cherwell on Friday 2<sup>nd</sup> May from 11am - Listen out for it and their favorite piece of music!

We now have a new mini bus so we can continue our trips and days out! Keep an eye out for us in town and come and say hello!
