Autumn Arrives at Churchfields

October has brought a change in the seasons, with cooler days and colourful leaves falling from the trees. Despite the drop in temperature, we've still had some lovely sunshine, allowing residents to enjoy walks around the garden and visits to the local church.

We've also been keeping busy indoors with flower arranging and a variety of activities. Residents particularly enjoyed having a go on an old sewing machine, which brought back memories and sparked plenty of conversations about sewing and dressmaking over the years.

Autumn Activities and Halloween Fun

Churchfields has been looking very autumnal this month, with seasonal decorations throughout the home as we prepared for Halloween. Residents got involved with pumpkin painting, creating some lovely designs to add to our displays.

We finished the month with a spooky Halloween weekend, complete with decorations, spooky cakes and plenty of Halloween fun. It was a great way to round off October, with residents enjoying the celebrations and activities around the home.

The Churchfields Community Café takes place at Witney Library.
This runs on the first Monday of each month from 10:30 - 12:30.
Reminder: Our Dementia Café also meet every month on the last Thursday at 10:00 AM in our lovely Tea Shop at Churchfields. Everyone is welcome to join us for tea, company, in a warm, supportive atmosphere.
