

Churchfields Care Home Monthly Newsletter

Pound Lane, Cassington, Oxfordshire OX29 4BN

Our boutique luxury home delivering individual care for our residents

Pumpkins, Pastries, and Plenty of Smiles at Millets Farm!

What a fantastic month it's been at Churchfields! Our recent trip to Millets Farm was a real treat - residents enjoyed delicious tea and cake, some spooky shopping, and plenty of fun picking the perfect pumpkins for the season.

Our residents had a wonderful time baking, dressing up as housekeepers, and cleaning the home and windows outdoors! These meaningful activities not only bring joy and pride but also help maintain a sense of purpose and stability - it's so important to continue providing familiar routines that keep everyone engaged and fulfilled.

Highlights of the Month:

There's been lots of excitement with some new activities at Churchfields! Residents have been learning fun Halloween tunes on the piano, while the gentlemen have been enjoying our new indoor, wheelchair-friendly putting game - bringing the joy of golf right into our home.
