

Churchfields Care Home Monthly Newsletter

Pound Lane, Cassington, Oxfordshire OX29 4BN

Our boutique luxury home delivering individual care for our residents

Learning something new!

This month, we challenged ourselves to explore something new - and it's been a fantastic journey! From picking up piano skills, trying out tasty new recipes, to discovering the traditions of Raksha Bandhan, we've truly enjoyed every moment of learning.

If you have a hidden talent, we would love you to share it with us

Sunny days at Churchfields

The weather has been lovely this month, and we've made the most of our garden for our daily activities. We've especially enjoyed watching our sunflowers bloom and picking fresh apples from the garden to make a delicious apple crumble for dessert.

Highlights of the Month:

Churchfields are passionate about making birthdays special and we had the privilege to be a part of these celebrations. Our lovely Becs paid us a visit to lift our spirits up with her amazing singing and ukulele skills.
